Computer Science Research: PyCon 2008 was held March 14 - 16, 2008 in Rosemont, IL at the Rosemont Crowne Plaza. A day of Python tutorials was held before the conference, and a four day Sprint was held after the conference ended. The Developers conference targets developers of open source and commercial Python applications. The PyCon conference provides opportunities to learn about significant advances in the Python development community and to meet fellow developers from around the world. The Conference fosters education and development of Python. Education sessions within the Conference are presented to address topics of interest like object oriented programming, string and regex processing, HTTP protocols, database access, scientific computation, and game development. (989 Attendees)	\$0		\$432,520
